

2012 Kansas Statutes

68-526. Duties of township board; plans, materials and equipment; traffic-control devices and signs. (a) In all counties not operating under the county road unit system the township board shall have the general charge and supervision of all township roads and township culverts in their respective townships. The board shall procure machinery, implements, tools, drain tile, stone, gravel and any other material or equipment required, for the construction or repair of such roads and culverts. All work shall be done in accordance with plans and specifications and the general regulations to be prepared and furnished by the county engineer.

(b) In townships located in Douglas, Johnson, Riley, Shawnee and Sedgwick counties, the township board shall place and maintain traffic-control devices and guidance, warning and regulatory signs on all township roads as provided by K.S.A. 8-2005, and amendments thereto.
