

2012 Kansas Statutes

68-1410. Same; contracts for maintenance and repair. All bridges constructed under the provisions of this act shall be under the control of and maintained by the board of county commissioners of the county constructing the same, and such county commissioners shall have power to contract with any city in which any such bridge is situated or with any person or corporation using any such bridge, for the maintenance or repair thereof.

History: L. 1913, ch. 69, § 5; March 13; R.S. 1923, 68-1410.
