

## 2012 Kansas Statutes

**72-1124. Same; individualized education plan.** Instruction in Braille reading and writing shall be sufficient to enable each student to communicate effectively and efficiently at a level commensurate with such student's sighted peers of comparable grade level and intellect. The individualized education plan shall specify:

(a) How Braille will be implemented as the primary mode for learning through integration with normal classroom activities. If Braille will not be provided to a child who is blind, the reason for not incorporating it in the individualized education plan shall be documented therein;

(b) the date on which Braille instruction will commence;

(c) the level of competency in Braille reading and writing to be achieved by the end of the period covered by the individualized education plan; and

(d) the duration of each session.

**History:** L. 1991, ch. 118, § 3; July 1.
