

2012 Kansas Statutes

73-702. Same; description; form and makeup. The official state flag of the state of Kansas shall be a rectangle of dark-blue silk or bunting, three (3) feet on the staff by five (5) feet fly.

The great seal of the state of Kansas, without its surrounding band of lettering, shall be located equidistant from the staff and the fly side of the flag, with the lower edge of the seal located eleven (11) inches above the base side of the flag. The great seal shall be surmounted by a crest and the word KANSAS shall be located underneath the seal. The seal shall be seventeen (17) inches in diameter. The crest shall be on a wreath or an azure, a sunflower slipped proper, which divested of its heraldic language is a sunflower as torn from its stalk in its natural colors on a bar of twisted gold and blue. The crest shall be six (6) inches in diameter; the wreath shall be nine (9) inches in length. The top of the crest shall be located two (2) inches beneath the top side of the flag. The letters KANSAS shall be imprinted in gold block letters below the seal, the said letters to be properly proportioned, and five (5) inches in height, imprinted with a stroke one (1) inch wide; and the first letter K shall commence with the same distance from the staff side of the flag as the end of the last letter S is from the fly side of the flag. The bottom edge of the letters shall be two (2) inches above the base side of the flag. Larger or smaller flags will be of the same proportional dimensions.

The colors in the seal shall be as follows: Stars, silver; hills, purple; sun, deep yellow; glory, light yellow; sky, yellow and orange from hills half way to motto, upper half, azure; grass, green; river, light blue; boat, white; house, dark brown; ground, brown; wagons, white; near horse, white; off horse, bay; buffalo, dark, almost black; motto, white; scroll, light brown.
