

2012 Kansas Statutes

74-504a. Statistical service. To meet the needs and increasing demands for factual data in agricultural and marketing research and for sound practices and wise land use in the growth and development of the state's agricultural industry, the secretary of agriculture is hereby authorized to enlarge and improve its statistical service to provide more adequate and complete information than present facilities make possible.

History: L. 1947, ch. 9, § 1; L. 2004, ch. 101, § 110; July 1.
