

2012 Kansas Statutes

74-4305. Definition of "state." As used in this act "state" means a state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a foreign country and a state or province of a foreign country and shall have the same meaning in other statutes of this state relating to interstate relations for licensing of vehicles.

History: L. 1970, ch. 315, § 3; March 14.
