

2012 Kansas Statutes

74-49,113. Retirant dividend payments; payments to insured disability benefit recipients. The board of trustees of the Kansas public employees retirement system shall determine annually the amount necessary to finance the retirant dividend payments to insured disability benefit recipients and shall transfer that amount from the retirant dividend payment reserve to the group insurance reserve of the Kansas public employees retirement fund. The board of trustees shall provide for the payment of the retirant dividend payments payable to insured disability benefit recipients under this act as part of the plan of death and long-term disability benefits under K.S.A. 74-4927, and amendments thereto. The cost of such retirant dividend payments shall be paid from the group insurance reserve of the Kansas public employees retirement fund.
