

2012 Kansas Statutes

74-7042. Same; exemptions from requirements for licensure or certification. The provisions of this act requiring licensure or the issuance of a certificate of authorization under K.S.A. 74-7036 and amendments thereto to engage in the practice of geology shall not be construed to prevent or to affect:

- (a) The practice of geology by any person before July 1, 2000.
- (b) The practice of geology which is exclusively in the exploration for and development of energy resources and economic minerals and which does not affect the public health, safety and welfare, as determined by the board.
- (c) The acquisition of engineering data, geologic data for engineering purposes and the utilization of such data by licensed professional engineers.
- (d) Performance of work customarily performed by graduate physical or natural scientists.
- (e) The teaching of geology in a college or university offering an approved geology curriculum.
