

2012 Kansas Statutes

74-8811. Drugs and medications. The commission shall adopt rules and regulations establishing those drugs and medications, and the levels thereof, which are allowable in the blood or urine of any horse or greyhound when tested either just prior to or immediately following participation in any race conducted by an organization licensee. Animals in violation of such rules and regulations may be disqualified from the race in which the animal is entered or has participated on the day that such test was conducted.
