

2012 Kansas Statutes

75-5296. Comprehensive plans for correctional services, approval prerequisite for grants; additional requirements; operating standards; annual review; suspension of grants, procedure. (a) Except as provided in K.S.A. 75-5293 and amendments thereto, no county shall be qualified to receive grants under this act unless and until the comprehensive plan for such county, or the group of counties with which such county is cooperating, is approved by the secretary of corrections.

(b) The secretary of corrections shall adopt rules and regulations establishing additional requirements for receipt of grants under this act, standards for the operation of the correctional services described in K.S.A. 75-5291 and amendments thereto and standards for performance evaluation of the correctional services described in K.S.A. 75-5291 and amendments thereto. In order to remain eligible for grants the county or group of cooperating counties shall substantially comply with the operating standards established by the secretary of corrections.

(c) The secretary of corrections shall review annually the comprehensive plans submitted by a county or group of cooperating counties and the facilities and programs operated under such plans. The secretary of corrections is authorized to examine books, records, facilities and programs for purposes of recommending needed changes or improvements.

(d) In reviewing the comprehensive plan or any annual recommendations or revisions thereto, the secretary of corrections shall limit the scope of the review of the corrections advisory board's statement of priorities, needs, budget, policies and procedures, to the determination that such statement does not directly conflict with rules and regulations and operating standards adopted pursuant to subsection (b) and the community corrections act under K.S.A. 75-5290 *et seq.*, and amendments thereto.

(e) When the secretary of corrections determines that there are reasonable grounds to believe that a county or group of cooperating counties is not in substantial compliance with the minimum operating standards adopted pursuant to this section, at least 30 days' notice shall be given the county or to each county in the group of cooperating counties and a hearing shall be held in accordance with the provisions of the Kansas administrative procedure act to ascertain whether there is substantial compliance or satisfactory progress being made toward compliance. If the secretary of corrections determines at such hearing that there is not substantial compliance or satisfactory progress being made toward compliance, the secretary of corrections may suspend all or a portion of any grant under this act until the required standards of operation have been met.
