

2012 Kansas Statutes

76-606. Experimental school. The board of regents shall also establish an experimental school in connection with Emporia state university, in which the pupils shall have opportunity to practice the modes of instruction and discipline inculcated in said university; and said board shall make all the rules and regulations necessary to govern and support the same, and may in their discretion admit pupils free of charge for tuition, and without expense to the state.
