

2012 Kansas Statutes

79-3463. Operating nonhighway vehicles on highways, when. For the purpose of this act the movement on the highways of motor vehicles primarily designed or operated for nonhighway use from one location where motor-vehicle fuels or special fuels will be used for nonhighway purposes to another such location shall not be construed to be operating or propelling motor vehicles on the public highways.

History: L. 1949, ch. 486, § 13; L. 1992, ch. 106, § 29; July 1, 1993.
