

2012 Kansas Statutes

82a-314. Same; revision of plans. If the plans are found to be satisfactory and upon examination, the dam is found to be constructed in accordance with such plans, the chief engineer shall approve the plans and the construction of the dam. If the plans fail to meet the requirements of the chief engineer, the owner shall make such changes in or additions to the dam as may be required and submit revised plans. If such revised plans are satisfactory and the dam is found to be constructed in accordance with them, the chief engineer shall approve such revised plans and construction.
