

2012 Kansas Statutes

82a-619b. Same; alteration of location of pipelines on easements; costs. (a) Prior to the installation of any water pipeline or appurtenant facility upon any easement or right-of-way granted to any rural water district, the board of directors or its designee shall advise the grantor or his or her local agent of such easement or right-of-way as to the exact location of the proposed installation. If a revision of such location is requested by the grantor, the board or its designee shall offer to negotiate with the grantor for the relocation of the proposed installation to the grantor's satisfaction. Any additional cost incurred by the district as a result of altering the location of the installation shall be borne by the party requesting the alteration.

(b) The terms used in this section shall have the meanings respectively ascribed thereto by K.S.A. 82a-612.
