Also in Sec. 3, K.S.A. 2013 Supp. 79-3606, by striking all of subsection (d) and inserting the following:

"(d) all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or

remodeling facilities for any public or private nonprofit hospital or public hospital authority, public or private elementary or secondary school, a public or private nonprofit educational institution, state correctional institution including a privately constructed correctional institution contracted for state use and ownership, which would be exempt from taxation under the provisions of this act if purchased directly by such hospital or public hospital authority, school, educational institution or a state correctional institution; and all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any political subdivision of the state or district described in subsection (s), the total cost of which is paid from funds of such political subdivision or district and which would be exempt from taxation under the provisions of this act if purchased directly by such political subdivision or district. Such purchases by a contractor for a housing authority shall be exempt from the tax imposed by this act only if used in a housing project for persons of low income as described in K.S.A. 17-2339, and amendments thereto, and not housing for resale or other purposes. Nothing in this subsection or in the provisions of K.S.A. 12-3418, and amendments thereto, shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in the constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any political subdivision of the state or any such district. As used in this subsection, K.S.A. 12-3418 and 79-3640, and amendments thereto, "funds of a political subdivision" shall mean general tax revenues, the proceeds of any bonds, and gifts or grants-in-aid. Gifts shall not mean funds used for the purpose of constructing, equipping, reconstructing, repairing, enlarging, furnishing or remodeling facilities which are to be leased to the donor. When any political subdivision of the state, district described in subsection (s), public or private nonprofit hospital or public hospital authority, public or private elementary or secondary school, public or private nonprofit educational institution, state correctional institution including a privately constructed correctional institution contracted for state use and ownership shall contract for the purpose

of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificate to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to the political subdivision, district described in subsection (s), hospital or public hospital authority, school, educational institution or department of corrections concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. As an alternative to the foregoing procedure, any such contracting entity may apply to the secretary of revenue for agent status for the sole purpose of issuing and furnishing project exemption certificates to contractors pursuant to rules and regulations adopted by the secretary establishing conditions and standards for the granting and maintaining of such status. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in the building or other project or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials which will not be so incorporated in the building or other project reported and paid by such contractor to the director of taxation not later than the 20<sup>th</sup> day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for which such certificate was issued, the political subdivision, district described in subsection (s), hospital or public hospital authority, school, educational institution or the contractor contracting with the department of corrections for a correctional institution concerned shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. Any contractor or any agent, employee or subcontractor thereof, who shall use

or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in subsection (g) of K.S.A. 79-3615, and amendments thereto. In addition to any other provision of this subsection, if a contractor for a housing authority violates the purposes of the exemption certificate, the housing authority is liable for the payment of any taxes under this act for any such purchases of tangible personal property that were otherwise exempt under this act."
