The Honorable Pete DeGraaf, Chairperson  
House General Government Budget Committee  
Statehouse, Room 459-W  
Topeka, Kansas 66612

Dear Representative DeGraaf:

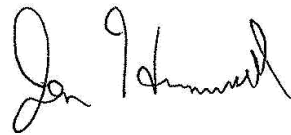

SUBJECT: Fiscal Note for HB 2504 by House Committee on General Government Budget

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2504 is respectfully submitted to your committee.

HB 2504 would repeal statutes relating to the purchase of real estate in Jefferson County by the Department of Corrections.

The Department of Corrections indicates that HB 2504 would have no fiscal effect on the agency. The Department states that the property was relinquished from agency holdings over ten years ago.

Sincerely,

Jon Hummell,  
Interim Director of the Budget
