The Honorable Pat Apple, Chairperson
Senate Committee on Utilities
Statehouse, Room 224-E
Topeka, Kansas 66612

Dear Senator Apple:

SUBJECT: Fiscal Note for SB 308 by Senate Committee on Utilities

In accordance with KSA 75-3715a, the following fiscal note concerning SB 308 is respectfully submitted to your committee.

SB 308 would permit mobile telephone numbers to be added to the no-call list. The no-call list would be updated every 30 days rather than quarterly. Also, individuals with an established business relationship with the solicitor would be able to request that the solicitor refrain from calling. The solicitor would be required to honor that request for five years.

Responsibility for registration and maintenance of the no-call list would be removed from the Attorney General's Office and placed with the Federal Trade Commission. The Attorney General would be able to request information from the Federal Trade Commission for enforcement and to comply with the requirements of the Commission. The Attorney General would be authorized to promulgate state rules and regulations adopting provisions of the Federal Trade Commission regulations to implement the no-call law.
