The Honorable Mary Pilcher-Cook, Chairperson Senate Committee on Public Health and Welfare Statehouse, Room 441-E Topeka, Kansas 66612

Dear Senator Pilcher-Cook:

SUBJECT: Fiscal Note for SB 95 by Senator Olson

In accordance with KSA 75-3715a, the following fiscal note concerning SB 95 is respectfully submitted to your committee.

SB 95 would require a certificate of stillborn birth to be filed with the State Registrar within three days of the stillbirth and prior to removal of the stillborn child from the state. The funeral director or person who first assumes custody of a stillborn child would be required to file the certificate of stillborn birth. The bill outlines the information that must be on the certificate.

According to the Department of Health and Environment, enactment of SB 95 would require expenditures totaling \$39,000 from the Civil Registration and Vital Statistics Fee Funds for modifications to the Vital Statistics Integrated Information System. Changes would include posting a new form to the VSIIS for filing and restructuring the stillbirth issuance process to create a certificate printed from database information. Although authorized by the bill, the Department indicates that it would not charge a filing fee. Any fiscal effect associated with SB 95 is not reflected in *The FY 2014 Governor's Budget Report*.

Sincerely,

Steven J. Anderson, CPA, MBA
