

**HOUSE BILL No. 2715**

By Committee on Transportation

2-14

1 AN ACT regulating traffic; concerning permits; relating to farm machinery  
2 and equipment; **commercial drivers' license, exemptions**; amending  
3 K.S.A. 2013 Supp. **8-2,127** and 8-1911 and repealing the existing  
4 ~~section~~ **sections**.

5  
6 *Be it enacted by the Legislature of the State of Kansas:*

7 New Section 1. (a) An implement dealer who obtains an annual  
8 permit pursuant to K.S.A. 8-1911, and amendments thereto, shall be  
9 allowed to move or transport farm tractors, implements of husbandry,  
10 combines, fertilizer dispensing equipment or other farm machinery on  
11 highways under the jurisdiction of the secretary of transportation.

12 (b) Such annual permit shall allow an implement dealer to move such  
13 equipment or machinery subject to the following conditions:

14 (1) Except as provided in subsection (e), loads being moved or  
15 transported shall not exceed a width of 17 feet, nine inches;

16 (2) except as provided in subsection (e), movement of loads  
17 exceeding a width of 14 feet shall use escort vehicles as required by the  
18 rules and regulations of the Kansas department of transportation;

19 (3) moves shall not be made within  $\frac{1}{2}$  hour after sunset and  $\frac{1}{2}$  hour  
20 before sunrise; and

21 (4) loads cannot be moved on any highway that is part of the national  
22 systems of interstate and defense highways.

23 (c) An implement dealer, or employee thereof, moving farm  
24 equipment or machinery on highways under the jurisdiction of the  
25 secretary of transportation that exceed the weight limits established by  
26 K.S.A. 8-1908 or 8-1909, and amendments thereto, or the height and  
27 length limits established by K.S.A. 8-1904, and amendments thereto, shall  
28 obtain an appropriate permit under K.S.A. 8-1911, and amendments  
29 thereto, and the rules and regulations promulgated by the Kansas  
30 department of transportation.

31 (d) Except as provided in subsection (e), the provisions of this section  
32 shall apply whether the implement dealer, or employees thereof, moves the  
33 equipment or machinery either:

34 (1) On a trailer or semi-trailer;

1 (2) pinning the equipment or machinery onto a truck or truck tractor  
2 with the item traveling on the item's wheels; or

3 (3) under the machinery or equipment's own power.

4 (e) An implement dealer, or employees thereof, may move farm  
5 machinery when towing such machinery behind a farm tractor within a  
6 100 mile radius of any of the implement dealer's places of business when  
7 such farm tractor and equipment or machinery are equipped with flashing  
8 lights on both the front and rear and towed in accordance with subsections  
9 (b)(3), (b)(4) and (c).

10 (f) **An implement dealer, or employee thereof, moving farm**  
11 **machinery designed for use at speeds of less than 25 miles per hour, or**  
12 **which is normally moved at speeds less than 25 miles per hour, shall**  
13 **have displayed on the farm machinery a slow-moving vehicle emblem,**  
14 **as defined in K.S.A. 8-1717(e)(2), and amendments thereto, which**  
15 **shall be clearly visible from the rear of the farm machinery.**

16 (g) As used in this section, "implement dealer" shall mean a person,  
17 firm, organization or business that buys, sells ~~and~~ or services farm tractors,  
18 implements of husbandry, combines, fertilizer dispensing equipment or  
19 other farm machinery in the regular course of business.

20 Sec. 2. K.S.A. 2013 Supp. 8-1911 is hereby amended to read as  
21 follows: 8-1911. (a) The secretary of transportation with respect to  
22 highways under the secretary's jurisdiction and local authorities with  
23 respect to highways under their jurisdiction, in their discretion, upon  
24 application, may issue a special permit, which term shall include an  
25 authorization number, to the owner or operator of an oversize or  
26 overweight vehicle. The special permit shall authorize the special permit  
27 holder to operate or move a vehicle or combination of vehicles which  
28 exceed the limitations of this act, on a route, or routes, designated in the  
29 special permit and in accordance with the terms and conditions of the  
30 special permit.

31 (b) The application for the permit shall describe the vehicle, or  
32 combination of vehicles and all loads or cargo for which the special permit  
33 is requested, the route or routes on which operation is sought and whether  
34 a single trip or annual operation is requested. One special permit may be  
35 issued for a vehicle or combination of vehicles, that are both oversize and  
36 overweight. A special permit under this section may be for a single trip or  
37 for annual operation. The special permit shall designate the route or routes  
38 that may be used and any other terms, conditions or restrictions deemed  
39 necessary. The secretary of transportation shall charge a fee for each  
40 permit or authorization number issued as provided for in subsection (f). No  
41 permit shall be required to authorize the moving or operating upon any  
42 highway, ~~by a farmer or the farmer's family or employee or an implement~~  
43 ~~dealer, as defined in section 1, and amendments thereto, or employee~~

1 *thereof who possesses an annual permit and following all conditions set*  
2 *forth in section 1, and amendments thereto, of farm tractors, combines,*  
3 *fertilizer dispensing equipment or other farm machinery, or machinery*  
4 *being transported to be used for terracing or soil or water conservation*  
5 *work upon farms; or. No permit shall be required to authorize the moving*  
6 *or operating upon any highway of **farm tractors, combines, fertilizer***  
7 ***dispensing equipment or other farm machinery, or machinery being***  
8 ***transported to be used for terracing or soil or water conservation***  
9 ***work upon farms, or** vehicles owned by counties, cities and other*  
10 *political subdivisions of the state, except that this sentence shall not: (1)*  
11 *Exempt trucks owned by counties, cities and other political subdivisions*  
12 *specifically designed and equipped and used exclusively for garbage,*  
13 *refuse or solid waste disposal operations from the maximum gross weight*  
14 *limitations contained in the table in K.S.A. 8-1909, and amendments*  
15 *thereto; or (2) authorize travel on interstate highways.*

16 (c) A permit shall be valid only when the registration on the power  
17 unit is equal to or exceeds the total gross weight of the vehicle. When the  
18 gross weight of the vehicle exceeds the upper limit of the available  
19 registration, the maximum amount of registration must be purchased. The  
20 provisions of this subsection shall not apply to a wrecker or tow truck, as  
21 defined in K.S.A. 66-1329, and amendments thereto, and registered in  
22 accordance with the provisions of K.S.A. 8-143, and amendments thereto.

23 (d) The secretary or local authority may issue or withhold the permit  
24 at the secretary's or local authority's discretion or may limit the number of  
25 trips, or establish seasonal or other time limitations within which the  
26 vehicles described may be operated on the highways, or may otherwise  
27 limit or prescribe conditions of operations of such vehicle or combination  
28 of vehicles, when necessary to assure against undue damage to the road.  
29 The secretary or local authority may require such undertaking or other  
30 security as may be deemed necessary to compensate for any injury to any  
31 roadway or road structure.

32 (e) Every permit shall be carried in the vehicle or combination of  
33 vehicles to which it refers and shall be open to inspection by any police  
34 officer or authorized agent of any authority granting the permit. It shall be  
35 unlawful for any person to violate any of the terms or conditions of **the**  
36 special permit.

37 (f) The secretary of transportation shall charge and collect fees as  
38 follows:

39 (1) Twenty dollars for each single-trip permit;

40 (2) thirty dollars for each single-trip permit for a large structure, as  
41 defined by rules and regulations;

42 (3) fifty dollars for each single-trip permit for a superload, as defined  
43 by rules and regulations;

1 (4) twenty-five dollars for a five-year permit for vehicles authorized  
2 to move bales of hay under subsection (j) on noninterstate highways;

3 (5) one hundred and fifty dollars for each annual permit; or

4 (6) two thousand dollars per year for each qualified carrier company  
5 for special vehicle combination permits authorized under K.S.A. 8-1915,  
6 and amendments thereto, plus \$50 per year for each power unit operating  
7 under such annual permit.

8 No fees shall be charged for permits issued for vehicles owned by  
9 counties, cities and other political subdivisions of the state. All permit fees  
10 received under this section shall be remitted to the state treasurer in  
11 accordance with the provisions of K.S.A. 75-4215, and amendments  
12 thereto. Upon receipt of each such remittance, the state treasurer shall  
13 deposit the entire amount in the state treasury to the credit of the state  
14 highway fund. The secretary may adopt rules and regulations for payment  
15 and collection of all fees. The secretary may adopt rules and regulations  
16 implementing the provisions of this section to prescribe standards for any  
17 permit program to enhance highway safety.

18 (g) If any local authority does not desire to exercise the powers  
19 conferred on it by this section to issue or deny permits then such a permit  
20 from the local authority shall not be required to operate any such vehicle  
21 or combination of vehicles on highways under the jurisdiction of such  
22 local authority, but in no event shall the jurisdiction of the local authority  
23 be construed as extending to any portion of any state highway, any city  
24 street designated by the secretary as a connecting link in the state highway  
25 system or any highway within the national system of interstate and defense  
26 highways, which highways and streets, for the purpose of this section,  
27 shall be under the jurisdiction of the secretary.

28 (h) A house trailer, manufactured home or mobile home which  
29 exceeds the width as provided in subsection (a) of K.S.A. 8-1902, and  
30 amendments thereto, may be moved on the highways of this state by  
31 obtaining a permit as provided in this section, if:

32 (1) The width of such house trailer, manufactured home or mobile  
33 home does not exceed 16½ feet;

34 (2) the driver of the vehicle pulling the house trailer, manufactured  
35 home or mobile home has a valid driver's license; and

36 (3) the driver carries evidence that the house trailer, manufactured  
37 home or mobile home, and the vehicle pulling it, are covered by motor  
38 vehicle liability insurance with limits of not less than \$100,000 for injury  
39 to any one person, and \$300,000 for injury to persons in any one accident,  
40 and \$25,000 for injury to property.

41 For the purposes of this subsection, the terms "manufactured home"  
42 and "mobile home" shall have the meanings ascribed to them by K.S.A.  
43 58-4202, and amendments thereto.

1 (i) Upon proper application stating the description and registration of  
2 each power unit, the secretary of transportation shall issue permits for a  
3 period, from May 1 to November 15, for custom combine operators to tow  
4 custom-combine equipment on a trailer within legal dimensions or a trailer  
5 especially designed for the transportation of combines or combine  
6 equipment at the rate of \$10 per power unit. Each application shall be  
7 accompanied by information as required by the secretary. The permit shall  
8 allow custom combine operators to haul two combine headers on  
9 designated interstate highways provided:

10 (1) The vehicle plus the load do not exceed 14 feet in width;

11 (2) the move is completed during the period beginning 30 minutes  
12 before sunrise and ending 30 minutes after sunset; and

13 (3) the vehicle plus the load are not overweight.

14 (j) Except as provided in paragraph (2) of subsection (d) of K.S.A. 8-  
15 1902, and amendments thereto, a vehicle loaded with bales of hay which  
16 exceeds the width as provided in subsection (a) of K.S.A. 8-1902, and  
17 amendments thereto, may be moved on any highway designated as a part  
18 of the national network of highways by obtaining a permit as provided by  
19 this section, if:

20 (1) The vehicle plus the bales of hay do not exceed 12 feet in width;

21 (2) the vehicle plus the bales of hay do not exceed the height  
22 authorized under K.S.A. 8-1904, and amendments thereto;

23 (3) the move is completed during the period beginning 30 minutes  
24 before sunrise and ending 30 minutes after sunset;

25 (4) the vehicle plus the load are not overweight; and

26 (5) the vehicle plus the load comply with the signing and marking  
27 requirements of paragraph (3) of subsection (d) of K.S.A. 8-1902, and  
28 amendments thereto.

29 (k) If it is determined by the secretary of transportation that a person  
30 has been granted a permit and has not complied with the applicable  
31 provisions of this section and the rules and regulations of the secretary of  
32 transportation relating thereto, the secretary may cancel the permit and  
33 may refuse to grant future permits to the individual.

34 **Sec. 3. K.S.A. 2013 Supp. 8-2,127 is hereby amended to read as**  
35 **follows: 8-2,127. Vehicles that are exempt from this act include:**

36 (a) **Farm vehicles, defined as follows:**

37 (1) **Registered as a farm truck or truck tractor under K.S.A. 8-**  
38 **143, and amendments thereto;**

39 (2) **used to transport either agricultural products, farm**  
40 **machinery, farm supplies, or both, to or from a farm;**

41 (3) **not used in the operations of a common motor carrier; and**

42 (4) **used either:**

43 (A) **In intrastate commerce; or**

1       **(B) in interstate commerce within 150 air miles of any farm or**  
2 **farms owned or leased by the registered owner of such farm vehicle;**

3       **(b) vehicles operated by firefighters and other persons which are**  
4 **necessary to the preservation of life or property or the execution of**  
5 **emergency governmental functions, are equipped with audible and**  
6 **visual signals and are not subject to normal traffic regulation. These**  
7 **vehicles include fire trucks, hook and ladder trucks, foam or water**  
8 **transport trucks, police SWAT team vehicles, ambulances or other**  
9 **vehicles that are used in response to emergencies;**

10       **(c) military vehicles which are operated by military personnel in**  
11 **pursuit of military purposes and all noncivilian operators of**  
12 **equipment owned or operated by the United States department of**  
13 **defense. This applies to any active duty military personnel and**  
14 **members of the reserves and national guard on active duty, including**  
15 **personnel on full-time national guard duty, personnel on part-time**  
16 **training and national guard military technicians, civilians who are**  
17 **required to wear military uniforms and are subject to the {uniform}**  
18 **code of military justice {or the Kansas code of military justice};~~and~~**

19       **(d) motor vehicles, which would otherwise be considered**  
20 **commercial motor vehicles, if such vehicles are used solely and**  
21 **exclusively for private noncommercial use and any operator of such**  
22 **vehicles; and**

23       *(e) farm tractors operated by an implement dealer, or employee*  
24 *thereof, when moved or transported in accordance with section 1, and*  
25 *amendments thereto.*

26       ~~Sec.-3:~~ **4.** K.S.A. 2013 Supp. **8-2,127 and 8-1911** ~~is~~**are** hereby  
27 repealed.

28       ~~Sec.-4:~~ **5.** This act shall take effect and be in force from and after its  
29 publication in the statute book.
