

32-1154. Same; rules and regulations. The secretary of health and environment shall adopt such rules and regulations as are necessary to properly administer and enforce the provisions of K.S.A. 32-1152 through 32-1154, inclusive. The secretary in adopting rules and regulations shall provide that any vessel having lawful registration from other than the state of Kansas and having marine toilets designed or intended to discharge marine sewage to the waters of the state, may be operated, launched, moored, docked or used on the waters of the state, if such vessel is in compliance with all applicable state and federal marine toilet requirements applicable and associated with the vessel registration. All vessels located on waters of this state may be inspected at any time for the purpose of determining if such vessel is in compliance with this act, and the secretary or the designees of the secretary shall have all powers necessary to properly enforce such rules and regulations.
