

40-2509. Same; misleading public prohibited. Automobile clubs operating hereunder shall make no reference to their certificate of authority or approval from the commissioner of insurance in any advertising, circular, contract or membership card nor shall such automobile clubs advertise or describe in any way their services in such a manner as would lead the public to believe such services include automobile insurance or anything else not contained in the contract.

History: L. 1967, ch. 270, § 9; July 1.
