

65-2838. Disciplinary action against licensee; procedure; stipulations; temporary suspension or limitation; emergency proceedings; guidelines for use of controlled substances for treatment of pain; written advisory opinions. [See Revisor's Note]

(a) The board shall have jurisdiction of proceedings to take disciplinary action authorized by K.S.A. 65-2836, and amendments thereto, against any licensee practicing under this act. Any such action shall be taken in accordance with the provisions of the Kansas administrative procedure act.

(b) Either before or after formal charges have been filed, the board and the licensee may enter into a stipulation which shall be binding upon the board and the licensee entering into such stipulation, and the board may enter its findings of fact and enforcement order based upon such stipulation without the necessity of filing any formal charges or holding hearings in the case. An enforcement order based upon a stipulation may order any disciplinary action authorized by K.S.A. 65-2836, and amendments thereto, against the licensee entering into such stipulation.

(c) The board may temporarily suspend or temporarily limit the license of any licensee in accordance with the emergency adjudicative proceedings under the Kansas administrative procedure act if the board determines that there is cause to believe that grounds exist under K.S.A. 65-2836, and amendments thereto, for disciplinary action authorized by K.S.A. 65-2836, and amendments thereto, against the licensee and that the licensee's continuation in practice would constitute an imminent danger to the public health and safety.

(d) The board shall adopt guidelines for the use of controlled substances for the treatment of pain.

(e) Upon request of another regulatory or enforcement agency, or a licensee, the board may render a written advisory opinion indicating whether the licensee has prescribed, dispensed, administered or distributed controlled substances in accordance with the treatment of pain guidelines adopted by the board.
