

74-32,184. Statewide data collection system. Within the limits of appropriations therefore, the state board shall develop and maintain a statewide data collection system to collect and analyze private and out-of-state postsecondary educational information, including, but not limited to, student, course, financial aid and program demographics that will assist the board in improving the quality of private and out-of-state postsecondary education.

History: L. 2010, ch. 150, § 10; July 1.
