

76-757. Same; prior approval of projects; plans and specifications; consultation with joint committee on state building construction. (a) The endowment association for a state educational institution is authorized to construct buildings and facilities on state-owned property of the state educational institution from any private moneys granted or given to the endowment association if the capital improvement projects for such buildings and facilities have received prior approval by the state board of regents and the plans and specifications for such projects have received prior approval by the secretary of administration. Such capital improvement projects shall be totally financed from private moneys and the buildings and facilities constructed shall become the property of Kansas upon completion and acceptance by the secretary of administration. No such capital improvement project for a building or facility shall be approved by the state board of regents without having first advised and consulted with the joint committee on state building construction.

(b) The endowment association for a state educational institution is authorized to repair, remodel or renovate state buildings and facilities of the state educational institution from any private moneys granted or given to the endowment association if the capital improvement projects for such repairs, remodeling or renovations have received prior approval by the state board of regents and the plans and specifications for such projects have received prior approval by the secretary of administration. Such capital improvement projects shall be totally financed from private moneys and the repairs, remodeling or renovations shall become the property of Kansas upon completion and acceptance by the secretary of administration. No such capital improvement project to repair, remodel or renovate any state building or facility shall be approved by the state board of regents without having first advised and consulted with the joint committee on state building construction.
