## THIRTIETH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Monday, February 22, 2016, 10:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 124 members present.

Rep. Ewy was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Almighty God,  
Thank you for this new day You have given us.  
The next couple of days are going to appear like  
“The Longest Day”  
and not your normal “9 to 5.”  
We have “Great Expectations” of what  
these “Ordinary People” will accomplish.  
Help them to have the wisdom of “Forrest Gump,”  
not that of “Dumb and Dumber.”  
Help them to have the spirit of  
“The Quiet Man” and not the “Raging Bull.”  
Encourage them to strive to be “Miss Congeniality.”  
Equip them with “True Grit” and a “Sixth Sense”  
to be “The Miracle Worker”  
in fulfilling the “High Hopes” of the people.  
May their discussions not be that of “Much Ado About Nothing”  
but instead be “Nothing But the Best.”  
Those moments when it appears that some are “Die Hard,”  
do the work of “The Adjuster” so they will compromise.  
As they are “Facing the Giants” this week,  
remind them often that “God is Not Dead”  
and that “Heaven is For Real.”  
And that “From Here to Eternity”  
if they follow “The Ten Commandments,”  
they will find “Hope and Glory.”  
I pray this in the name of “Jesus of Nazareth,”  
Amen.

The Pledge of Allegiance was led by Rep. Concannon.

**INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Finch are spread upon the Journal.

It is a distinct honor and privilege to introduce Delaney Murphy to the Kansas House this morning. Delaney is an inspiring and exceptional young lady from Ottawa. This year Delaney is 11 years old and working on finishing the 5<sup>th</sup> grade at Garfield Elementary.

I have had the privilege of knowing Delaney for several years and can tell you that her smile and her enthusiasm are infectious. But I wanted all of you to meet Delaney today because on March 15<sup>th</sup> of last year she was named the very first, Little Miss Wheelchair Kansas. Delaney served for five years as a flower attendee in the Ms. Wheelchair Kansas contest before being crowned herself.

The Little Miss Wheelchair Kansas program recognizes young girls who are wheelchair mobile, dynamic, spirited, positive, and who have something to say to the people in our state. Part of Delaney's job this year has been to attend various events, share her story, serve as an example for other youth with disabilities, and empower Kansans through her positive attitude.

Delaney wants to say thank you to her friend and guest, Ms. Carrie Sunday, the current Ms. Wheelchair Kansas. Carrie has been a steady source of support and constant help in this year as she has carried out those duties.

Her goal is to bring more awareness to children in wheelchairs and find ways to bring them together. She loves volunteering and helping other charities, playing baseball for the Miracle League, cheering on her brother Jackson, being an all-around great daughter for her parents Ryan and Kelly and of course, cheering for her favorite Major League team, the Kansas City Royals and the ever awesome Alex Gordon.

Please join me in honoring Delaney Murphy, the first Little Miss Wheelchair Kansas and a truly great young Kansan.

Rep. Finch presented Ms. Murphy with a framed House certificate.

**INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Schwartz are spread upon the Journal:

The Kansas FFA Association was the twelfth state chartered by the National FFA Organization in 1928. The Association has a current membership of over 9,000 members in more than 175 chapters. Kansas FFA members are enrolled in agricultural education courses, conduct a Supervised Agricultural Experience Program and can participate in a variety of FFA competitions and activities.

This is a very exciting time for Kansas FFA. The Association is experiencing growth, new opportunities for its members and increasing support from the community, business and industry and former members. Kansas FFA provides leadership development opportunities for members. This year alone five new chapters were added in the following high schools: Bluestem (Leon), Emporia, Northern Heights (Allen), Southern Lyon County (Olpe & Hartford), and Sylvan-Lucas (Sylvan Grove).

Today's agricultural education students will be the leaders and innovators of the future—responsible for ensuring a safe and stable food and fiber supply for the growing world.

Kansas FFA is dedicated to making a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

Kansas FFA Association is led by the state officer team – six students who are freshman at Kansas State University serving as president, vice president, secretary, treasurer, reporter and sentinel. In addition, adult guidance and leadership is provided by the State Advisor and State Executive Secretary.

Rep. Schwartz introduced the 2015-2016 FFA Leadership Team: Karl Wilhelm, President, Holton; Bailey Peterson, Vice President, Buhler; Dean Klahr, Secretary, Holton; Lane Coberly, Treasurer, Chapman; Kyler Langvardt, Reporter, Chapman; Gabryelle Gilliam, Sentinel, Washington County.

**HR 6040**—A RESOLUTION designating February, in 2016 and in each succeeding year, as Kansas Cancer Awareness Month.

WHEREAS, Cancer is one of the leading causes of death around the world and has touched the life of nearly everyone, either directly or indirectly; and

WHEREAS, The disease is the cause of nearly one out of every four deaths in the United States; and

WHEREAS, By the end of 2016, approximately 1,685,210 new cases are expected to be diagnosed across the United States; and

WHEREAS, An estimated one-third of all cancers are preventable. Increased efforts to reduce tobacco use, reduce obesity, improve diet and physical activity and promote safe ultraviolet radiation exposure are key in limiting preventable cancer risks; and

WHEREAS, Regular use of established screening tests can preclude the development of cancer through identification and result in the removal or treatment of premalignant abnormalities. Screening tests can also significantly improve survival rates by detecting cancer at an early stage when treatment is more effective: Now, therefore,

*Be it resolved by the House of Representatives of the State of Kansas:* That we designate February, in 2016 and in each succeeding year, as Kansas Cancer Awareness Month; recognize efforts to raise awareness for the reduction of cancer risks; and encourage the expansion of knowledge, early detection and work in the medical and scientific fields, to put an end to this deadly disease.

#### INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Kleeb and Carlin are spread upon the Journal:

Cancer is a disease that has touched the lives of nearly everyone. Each of us has a relative, friends, or co-worker who has battled the disease. Many of us have even fought cancer ourselves, or given care to a loved one with the disease. Even in our House family, we have had our own colleagues' spouses afflicted:

Diane, wife of Jack Thimesch

John, husband of Annie Kuether

John, husband of Sydney Carlin

Nancy, wife of Marvin Kleeb

And we continue to pray for Susan, wife of Mario Goico

Nationwide, nearly 1.6 million new cases of cancer will be diagnosed this year. In Kansas alone, an estimated 14,500 people are expected to be diagnosed with cancer, and 5,540 will die from the disease.

We as a legislature play an important role in supporting policies to improve cancer

prevention, treatment, quality of life and research.

An estimated one-third of all cancers are preventable. Increased efforts to reduce tobacco use, reduce obesity, improve diet and physical activity and promote safe ultraviolet radiation exposure are keys in limiting preventable cancer risks.

Regular use of established screening tests can preclude the development of cancer through identification and result in the removal or treatment of premalignant abnormalities. Screen tests can also significantly improve survival rates by detecting cancer at an early stage when treatment is more effective.

Let's embrace February as the newly designated Kansas Cancer Awareness Month to raise awareness for the reduction of cancer risks, encourage the appropriate screening, support Kansans and their families suffering from the disease, and remember those we have lost.

Rep. Kleeb introduced the following:

Judith Calhoun, American Cancer Society board member for the High Plains division; former Chair of the Newman division of nursing at Emporia State University

Gay Garrett, ACS volunteer

Stephanie Weiter, American Cancer Society

Hilary Gee, Kansas Government Relations Director for ACS CAN

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I share the concerns on Federal overreach and mismanagement. The overspending of the previous generation of elected officials and the resulting debt is a burden my generation will bear. Twice in the 20<sup>th</sup> century the country was close to calling a convention, one state away in 1969 and two away in 1983. The concern of a runaway convention prompted states to rescind their applications. I support a balanced

budget amendment but not a convention without firmer restrictions to protect the 1<sup>st</sup>, 2<sup>nd</sup> amendments and the Constitution. I vote no on **HCR 5010**. – JAMES ERIC TODD

MR. SPEAKER: I vote yes on **HCR 5010**. In the past I had been uneasy about a concept I wasn't familiar with. However, I realized that myself and many other Kansas legislators have attended a somewhat similar event every summer in a major U.S. city since 1975. The National Conference of State Legislatures (NCSL) has drawn representatives sent from all 50 states to their annual meeting to discuss and propose ideas that could make state governments better. A conference of the states can only propose or suggest amendments, and like the work product of NCSL, they remain only ideas until 38 full state legislatures ratify them. – JAN PAULS

MR. SPEAKER: Throughout the debate regarding **HCR 5010**, the Founding Fathers were often cited. I defer here to the words of President Washington, who cautioned against such things in his farewell address: "One method of assault may be to effect, in the forms of the Constitution, alterations which will impair the energy of the system, and thus to undermine what cannot be directly overthrown. In all the changes to which you may be invited, remember that time and habit are at least as necessary to fix the true character of governments as of other human institutions..."

I vote NO on **HCR 5010**. – STEPHANIE CLAYTON, LINDA GALLAGHER

MR. SPEAKER: We have a responsibility to our state, our country, our children and our grandchildren to meet the obligations we each swore to uphold. The framers of our Constitution authored the document with intelligence, foresight, and an unequalled brilliance. They purposely placed the Article V within the Constitution, should congress fail to fulfill the oath they took. In fact, our framers believed that a convention of states would likely be called on a frequent basis—not waiting 239 years. It is time to regain our individual and states' voice and fulfill our obligation we promised to uphold thus, I vote yes on **HCR 5010**. – PEGGY MAST, RANDY POWELL, KYLE HOFFMAN

MR. SPEAKER: My greatest fear is that the legislators who would select the delegates to the constitutional convention will be the same ones who brought us Washington style politics, an extreme lack of transparency, fiscal mismanagement, and a growing debt. I am reminded of the old saying, "people who live in glass houses should not throw stones." I believe that before we worry about states rights, we should first get our state right. I vote no on **HCR 5010**. – ED TRIMMER, ANNIE TIETZE, TOM SAWYER, PAM CURTIS, LOUIS RUIZ, PONKA-WE VICTORS, RODERICK HOUSTON, BEN SCOTT, JOHN ALCALA, GAIL FINNEY, KATHY WOLFE-MOORE

MR. SPEAKER: I agree that the federal government in many ways is out of control. This is largely because Congress is unwilling or unable to do its job of defining policies and programs within which federal agencies must operate. Proposed Constitutional Amendments that might result from such a convention would take many years for sufficient states to ratify. This long delay would simply allow federal agencies to continue exercising authority. We must elect Presidents and members of Congress who will respect the separation of powers that our forefathers installed in the U.S. Constitution. I vote no on **HCR 5010**. – TOM SLOAN, DON HILL
