The Honorable Ronald Highland, Chairperson
House Committee on Education
Statehouse, Room 561-W
Topeka, Kansas 66612

Dear Representative Highland:

SUBJECT: Fiscal Note for HB 2532 by House Committee on Education

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2532 is respectfully submitted to your committee.

Under current law, “sufficient knowledge of economic, social and political systems to enable the student to make informed choices” is one of the capacities that are included in areas of instruction by accredited schools in Kansas. HB 2532 would add “financial systems” to the areas of instruction.

According to the Department of Education, enactment of HB 2532 would have no effect on state aid to school districts. Any costs to implement HB 2532 would be borne by school districts.

Sincerely,

Shawn Sullivan,
Director of the Budget
