

2016 Kansas Statutes

9-510a. Same; authorized charges for transmission. On and after July 1, 2005, any person complying with the provisions of K.S.A. 9-508 through 9-513, and amendments thereto, may charge a different price for a transmission of money service based on the mode of transmission used in the transaction, so long as the price charged for the service is the same for all forms of payment which are accepted within the same mode of transmission.

History: L. 2005, ch. 133, § 1; Apr. 21.
