

2016 Kansas Statutes

25-2310. Publication of registration times and places and information for mail registration. County election officers shall cause publication, in a newspaper having general circulation in the county of the county election officer, of a notice of places and dates for registration and the closing thereof before each election. Such notice also shall give information for registration by mail. Such notice shall be given in such form and at such time or times as is specified by rules and regulations of the secretary of state.

History: L. 1968, ch. 55, § 10; L. 1976, ch. 181, § 8; May 8.
