

2016 Kansas Statutes

32-1013. Taking wildlife without permission on land posted "by written permission only"; penalties. (a) Any landowner or person in lawful possession of any land may post such land with signs stating that hunting, trapping or fishing on such land shall be by written permission only. It is unlawful for any person to take wildlife on land which is posted as provided in this subsection, without having in the person's possession the written permission of the owner or person in lawful possession thereof.

(b) Instead of posting land as provided in subsection (a), any landowner or person in lawful possession of any land may post such land by placing identifying purple paint marks on trees or posts around the area to be posted. Each paint mark shall be a vertical line of at least eight inches in length and the bottom of the mark shall be no less than three feet nor more than five feet high. Such paint marks shall be readily visible to any person approaching the land. Land posted as provided in this subsection shall be considered to be posted by written permission only as provided in subsection (a).

(c) A person licensed to hunt or furharvest who is following or pursuing a wounded animal on land as provided in this section posted without written permission of the landowner or person in lawful possession thereof shall not be in violation of this section while in such pursuit, except that the provisions of this subsection shall not authorize a person to remain on such land if instructed to leave by the owner or person in lawful possession of the land. Any person who fails to leave such land when instructed is subject to the provisions of subsection (b) of K.S.A. 2016 Supp. 21-5810, and amendments thereto.

(d) Any person convicted of violating provisions of this section shall be subject to the penalties prescribed in K.S.A. 32-1031, and amendments thereto, except as provided in K.S.A. 32-1032, and amendments thereto, relating to big game and wild turkey.
