

2016 Kansas Statutes

39-2007. Same; application for license. An application for a license to operate a center, facility, hospital or to be a provider of services shall be made in writing to the licensing agency on forms made available by the agency. The application shall contain all information required by the licensing agency, which may include affirmative evidence of the applicant's ability to comply with the standards and rules and regulations as adopted under the provisions of this act. The application shall be signed by the person or persons seeking the license or by a duly authorized agent.

History: L. 2016, ch. 105, § 7; July 1.
