

59-3051. Definitions. When used in the act for obtaining a guardian or a conservator, or both:

- (a) "Adult with an impairment in need of a guardian or a conservator, or both" means a person 18 years of age or older, or a minor who is considered to be of the age of majority pursuant to K.S.A. 38-101, and amendments thereto, or upon whom the rights of majority have been conferred pursuant to K.S.A. 38-108, and amendments thereto, whose ability to receive and evaluate relevant information, or to effectively communicate decisions, or both, even with the use of assistive technologies or other supports, is impaired such that the person lacks the capacity to manage such person's estate, or to meet essential needs for physical health, safety or welfare, and who is in need of a guardian or a conservator, or both. No person who is being treated by prayer in the practice of the religion of any church which teaches reliance on spiritual means alone through prayer for healing shall be determined to be an adult with an impairment in need of a guardian under this act for that reason alone, nor considered to lack the capacity to meet essential needs for physical health, safety or welfare because of such person's reliance upon such treatment.
- (b) "Appropriate alternative" means any program or service, or the use of a legal device or representative, which enables a person with an impairment to adequately meet essential needs for physical health, safety or welfare, or to reasonably manage such person's estate. Appropriate alternatives may include, but are not limited to, a power of attorney, a durable power of attorney, a power of attorney for health care decisions, a living will, a trust, a joint tenancy or a representative payee.
