60-410. Determination as to propriety of judicial notice and tenor of matter noticed. (a) The judge shall afford each party reasonable opportunity to present to him or her information relevant to the propriety of taking judicial notice of a matter or to the tenor of the matter to be noticed.

(b) In determining the propriety of taking judicial notice of a matter or the tenor thereof, (1) the judge may consult and use any source of pertinent information, whether or not furnished by a party; and (2) no exclusionary rule except a valid claim of privilege shall apply.

(c) If the information possessed by or readily available to the judge, whether or not furnished by the parties, fails to convince the judge that a matter falls clearly within K.S.A. 60-409, or if it is insufficient to enable him or her to notice the matter judicially, he or she shall decline to take judicial notice thereof.

(d) In any event the determination either by judicial notice or from evidence of the applicability and the tenor of any matter of common law, constitutional law, or of any statute, private act, resolution, ordinance or regulation falling within K.S.A. 60-409, shall be a matter for the judge and not for the jury.
