

2016 Kansas Statutes

65-3105. Same; required preliminary steps to transfer. The compact administrator is hereby directed to consult with the immediate family of any proposed transferee and, in the case of a proposed transferee from an institution in this state to an institution in another party state, to take no final action without approval of the court of commitment if the proposed transferee is in an institution pursuant to an order of a court.

History: L. 1967, ch. 479, § 5; July 1.
