

2016 Kansas Statutes

65-7014. Seizure and forfeiture. (a) All regulated chemicals which have been or are intended to be manufactured, provided, sold, furnished, transferred, delivered, or possessed in violation of this act shall be deemed contraband, and may be seized and summarily forfeited to the state.

(b) A violation of this act shall constitute conduct giving rise to forfeiture pursuant to the Kansas standard asset forfeiture act K.S.A. 60-4101 *et seq.* and amendments thereto. When property is forfeited pursuant to a violation of the Kansas chemical control act, the department shall sell all property not destroyed pursuant to subsection (a)(2) of K.S.A. 60-4117 and amendments thereto at public sale to the highest bidder for cash without appraisal. The proceeds of any sale shall be credited to the cleanup account which is hereby created in the chemical control fund. Moneys in such account can only be expended directly or through contracts for the costs of drug manufacturing site clean ups.
