

2016 Kansas Statutes

68-167. Signs, lights and reflectors near federal, state, or federal and state highways and turnpike projects; unlawful acts. It shall be unlawful for any person, corporation, firm or association to install, construct, erect, maintain or operate within fifty (50) feet of the right of way of any federal, state or federal and state highway or any turnpike project a flashing or revolving sign, light or reflector which is red or amber in color when lighted or when light rays are focused on it: *Provided*, That the provisions of this section shall not apply to signs, lights or reflectors:

- (a) Which were installed, constructed or erected prior to July 1, 1957; or
- (b) which are placed on any road, street, highway or public right of way or, any detour thereof, in accordance with or as required by law.

History: L. 1957, ch. 223, § 1; July 1.
