

2016 Kansas Statutes

68-422. Erection of signs and markers. The secretary of transportation is authorized to adopt and erect uniform marking guides and warning signs for identifying various routes on the state highway system. The secretary is authorized to remove any and all billboards or signs located within the limits of the right-of-way of state highways which bear advertising of any kind or character.

History: L. 1927, ch. 257, § 1; L. 1975, ch. 427, §106; Aug. 15.
