

2016 Kansas Statutes

74-5025. Same; training and technical assistance; contracts. The assistant provost is hereby authorized to provide or contract for services in training and technical assistance to any local organization in connection with the establishment and operation of any community resource program. Such services may include workshops, meetings, conferences, publications and in-person visits to program sites. Contracts hereunder may be made and entered into with any individual, agency, association or institution which has the capability of providing statewide technical assistance and has ability and experience in the areas of training and community or human resources.

History: L. 1979, ch. 272, § 5; L. 1987, ch. 305, § 4; July 1.
