74-7032. Landscape architecture; exemptions from requirements for licensure or certification. The provisions of K.S.A. 74-7001 et seq., and amendments thereto, requiring licensure or the issuance of a certificate of authorization under K.S.A. 74-7036, and amendments thereto, to engage in the practice of landscape architecture shall not be construed to prevent or to affect:

- (a) The right of any individual to engage in the occupation of growing and marketing nursery stock, to use the title nurseryman, landscape nurseryman or gardener, or to prohibit any individual to plan or plant such individual's own property.
- (b) The right of nurserymen to engage in preparing and executing planting plans.
- (c) The practice of site development planning, in accordance with the practice of architecture.
- (d) The performance of those services described in subsection (k)(1) of K.S.A. 74-7003, and amendments thereto, by a licensed professional engineer, except that no licensed professional engineer shall perform the following services: (1) Planting plans; or (2) the determination of proper land use as it pertains to natural features; ground cover, use, nomenclature and arrangement of plant material adapted to soils and climate.
