

2016 Kansas Statutes

75-3036. State general fund defined; revenues placed in. The state general fund is exclusively defined as the fund into which shall be placed all public moneys and revenue coming into the state treasury not specifically authorized by the constitution or by statute to be placed in a separate fund, and not given or paid over to the state treasurer in trust for a particular purpose, which unallocated public moneys and revenue shall constitute the general fund of the state; but moneys received or to be used under constitutional or statutory provisions or under the terms of a gift or payment for a particular and specific purpose are to be kept as separate funds and shall not be placed in the general fund or ever become a part of it, except by proper statutory enactment, and any such moneys which are wrongfully or by mistake placed in the general fund shall constitute a proper charge against such general fund: *Provided*, That all legislative appropriations which do not designate a specific fund from which they are to be paid shall be considered to be proper charges against the general fund of the state: *Provided further*, That all revenues received by the state of Kansas or any department, board, commission, or institution of the state of Kansas, and required to be paid into the state treasury shall be placed in and become a part of the state general fund, except as provided in this act.
