

75-4716. Information technology reserve fund; creation; authorized expenditures; prior fund abolished, transfer of assets and liabilities. (a) There is hereby created in the state treasury the information technology reserve fund. All expenditures from such fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the executive chief information technology officer or by a person designated by the executive chief information technology officer.

(b) On the effective date of this act, the director of accounts and reports shall transfer all moneys in the computer services depreciation reserve fund, created under K.S.A. 75-4704a, and amendments thereto, to the information technology reserve fund. On the effective date of this act, all liabilities of the computer services depreciation reserve fund are hereby imposed on the information technology reserve fund, and the computer services depreciation reserve fund is hereby abolished. Any reference to such fund abolished by this section in any statute, contract or other document shall be deemed to refer to the information technology reserve fund.
