

2016 Kansas Statutes

76-322. State geological survey. The university of Kansas is hereby authorized to continue the operations of the state geological survey of Kansas, and to make as far as possible a complete geological survey of the state of Kansas, giving special attention to any and all natural products of economic importance, in order to determine the character, location and amount of such products, and to prepare reports on the same as hereinafter prescribed.

History: L. 1907, ch. 395, § 1; March 14; R.S. 1923, 76-322.
