## THIRTY-THIRD DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Thursday, February 23, 2017, 10:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 125 members present.  
Excused later: Rep. Pittman

Prayer by guest chaplain, the Reverend Jason Carle, Overland Park Presbyterian Church, and guest of Rep. Ousley:

Lord,  
You made the land Kansas is in:  
a place of hills, wildflowers,  
wind, plains and big sky.  
We are here as your people, shaped by the land,  
shaped by our communities:  
small towns and farming communities,  
suburbs and cities.  
We ask for your blessing on those gathered here  
as they seek to craft laws and enact policies  
that bring good governance for this part of your creation.  
But we confess that we are a stiff-necked people,  
O God, eager to be right rather than righteous.  
Help us to bend our necks to the needs of our people.  
May the work and deliberations this day  
be shaped by your values:  
humility before You and each other,  
a deep passion for justice,  
and care for the vulnerable, the orphan, the lost.  
Amen.

The Pledge of Allegiance was led by Rep. Kessinger.

**HCR 5011** – A PROPOSITION to revise article 10 of the constitution of the state of Kansas; relating to reapportionment of congressional districts, legislative districts and state board of education member districts.

*Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:*

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 10 of the constitution of the state of Kansas is hereby revised to read as follows:

**"Article 10.—APPORTIONMENT OF CONGRESSIONAL,  
LEGISLATIVE AND STATE BOARD OF EDUCATION MEMBER  
DISTRICTS**

**"§ 1. Reapportionment of districts required.** At its regular session in 2022, and at its regular session every 10<sup>th</sup> year thereafter, the legislature shall by law reapportion the United States congressional districts, the state senatorial districts, the state representative districts and the state board of education member districts as provided by this article. Reapportionment of such districts shall be on the basis of the population of the state as established by the most recent census of population taken and published by the United States bureau of the census. Senatorial, representative and state board of education member districts shall be reapportioned upon the basis of the population of the state adjusted: (a) To exclude nonresident military personnel stationed within the state and nonresident students attending colleges and universities within the state; and (b) to include military personnel stationed within the state who are residents of the state and students attending colleges and universities within the state who are residents of the state in the district of their permanent residence.

**"§ 4. Establishment of redistricting commission.** (a) Not later than February 15 of each year ending in one, a redistricting commission shall be established to recommend to the legislature redistricting plans for United States congressional districts, state representative districts, state senatorial districts and state board of education member districts.

- (b) The redistricting commission shall consist of the following members:
  - (1) One shall be appointed by the majority leader of the senate;

(2) one shall be appointed by the majority leader of the house of representatives;

(3) one shall be appointed by the minority leader of the senate;

(4) one shall be appointed by the minority leader of the house of representatives; and

(5) within 30 days after the appointments described in paragraphs (1) through (4) have been made, but not later than March 15 of the year in which the commission is established, the four commission members so appointed shall select, by a vote of at least three members, the fifth commission member, who shall serve as chairperson.

(c) Any vacancy in the membership of the redistricting commission shall be filled in the same manner as the original appointment or selection.

(d) No person, while a member of the commission, shall:

(1) Hold any federal, state or local office; or

(2) be an employee of the Kansas legislature, state board of education or United States congress.

(e) No person who has been a member of the redistricting commission shall be eligible, within two years after being a member of the commission, to:

(1) Be a member or employee of the Kansas legislature or state board of education; or

(2) hold any appointive state or federal office.

(f) The legislature shall provide by law for payment of compensation and expenses of members of the redistricting commission and for adequate staff, office space, equipment and materials for the commission.

(g) The terms of members of the redistricting commission shall expire on July 1 of each year ending in two, and the commission shall be inactive until reestablishment of the commission pursuant to this section.

**"§ 5. Commission procedure and recommendations.** (a) The redistricting commission shall establish rules and procedures as necessary to carry out the commission's functions. The rules and procedures shall include rules requiring formal submission to the commission of all communications with commission members. Ex parte communications with members of the commission in relation to the merits of matters before the commission shall be prohibited. Members of the commission shall report any violations of this prohibition to the attorney general and the legislature shall provide by law criminal penalties for such violations.

(b) The redistricting commission shall conduct public hearings throughout the state, including at least one public hearing in each state board of education member district.

(c) In recommending redistricting plans, the redistricting commission shall consider only the requirements of the constitution of the state of Kansas and the constitution of the United States, preservation of political subdivisions and preservation of communities of interest. The commission shall avoid placing more than one incumbent in a district except when necessary due to changes in the population of the state. Except as expressly provided in this subsection, the commission shall not intentionally develop redistricting plans that favor or discriminate against any individual, political party or group.

**"§ 6. Legislative action; court review and action.** (a) On or before the first day of the regular legislative session in each year ending in two, the redistricting commission shall introduce in the house of representatives a bill reapportioning the state representative districts and a bill reapportioning the United States congressional districts, and shall introduce in the senate a bill reapportioning the state senatorial districts and a bill reapportioning the state board of education member districts. The bills shall not be subject to amendment by either chamber of the legislature and each such bill shall be acted upon by each chamber within seven days after the bill is introduced in the chamber.

(b) If a bill introduced pursuant to subsection (a) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall introduce another bill reapportioning such districts. If the Kansas supreme court enters a judgment that a bill introduced pursuant to subsection (a) is invalid, the redistricting commission, within 10 days after entry of the judgment, shall introduce another bill reapportioning such districts. Introduction of a bill pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a). The bill shall not be subject to amendment by either chamber and shall be acted upon by each chamber within seven days after the bill is introduced in the chamber.

(c) If a bill introduced pursuant to subsection (b) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall introduce another bill reapportioning such districts. If the Kansas supreme court enters a judgment that a bill introduced pursuant to subsection (b) is invalid, the redistricting commission, within 10 days after entry of the judgment, shall introduce another bill reapportioning such districts. Introduction of a bill pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a). The bill shall be subject to amendment by either chamber and shall be acted upon by each chamber within 14 days after the bill is introduced in such chamber. When a bill is introduced pursuant to this subsection, the commission shall make the commission's staff and technical resources available to the legislature for use in preparation and consideration of amendments to the bill.

(d) If either chamber of the legislature rejects a bill introduced pursuant to this section, or the governor vetoes the bill, the chamber that rejects the bill, or the governor in the case of a veto, shall transmit to the commission a letter stating the reasons why the bill was not enacted, and the commission shall take such reasons into consideration in introducing a bill pursuant to this section, subject to the requirements of section 6(c). Any such letter shall be signed by both the speaker of the house of representatives and the minority leader of the house of representatives or both the president of the senate and the minority leader of the senate.

(e) Reapportionment bills shall be published in the Kansas register immediately upon final passage and approval by the governor. The districts enacted shall be effective for the next following regular election of legislators and thereafter until again the districts are reapportioned, except that the

senatorial districts shall be effective for the next following regular election at which all senators are elected.

(f) Within 15 days after publication of any reapportionment bills enacted pursuant to this article, the attorney general shall petition the Kansas supreme court to determine the validity of the bill. The Kansas supreme court, in accordance with its rules, shall permit interested persons to present their views. Within 30 days after the filing of the petition, the Kansas supreme court shall enter its judgment. A judgment of the Kansas supreme court determining the bill to be valid shall be final until reapportionment of the districts is again required by this article.

**"§ 7. Implementing legislation.** The legislature may enact legislation, not in conflict with the provisions of this article, as reasonably necessary to implement such provisions."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

*"Explanatory statement.* Current article 10 of the constitution of the state of Kansas governs reapportionment of state legislative districts. It provides for reapportionment by the legislature and requires that it be based on the most recent census taken by the United States bureau of the census, adjusted to exclude certain military personnel and certain students residing at colleges and universities. The revision of article 10 would govern reapportionment of the United States congressional districts, state legislative districts and the state board of education member districts. Under the revision, a redistricting commission would be established to recommend redistricting plans to the legislature. The legislature would enact a plan which would be subject to review by the Kansas supreme court. There would be strict deadlines for legislative action. Reapportionment of congressional districts, state legislative districts and state board of education member districts would be based on the most recent census taken by the United States bureau of the census, adjusted to exclude certain military personnel and certain students residing at colleges and universities.

"A vote for this proposition would change the procedure for reapportionment of United States congressional, state legislative and state board of education member districts.

"A vote against this proposition would continue the current procedures and basis for reapportionment."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2018 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

## EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on **HB 2036**. I believe in the principle of pay as you go, and while our rule regarding PAYGO does not technically apply to this bill, the principle and philosophy do. Legislation costing \$7.7 million we don't have is irresponsible no matter how worthy the cause. – VIC MILLER

## EXPLANATIONS OF VOTE

MR. SPEAKER: We were proud to vote YES on **HB 2044**, which included an amendment to expand Medicaid. We welcome the opportunity to discuss the suggested amendments during the course of Budget debate, when full fiscal notes are available to us regarding the financial impact of said suggested amendments. To pass the amendments without fiscal notes would not be looking after the states finances in a responsible manner. – STEPHANIE CLAYTON, LARRY HIBBARD, JOY KOESTEN, ANITA JUDD-JENKINS, SHELEE BRIM, TOM SLOAN, BRENDA DIETRICH, SUSIE SWANSON, DAVE BAKER, MARY MARTHA GOOD, DIANA DIERKS, GREG LEWIS, LONNIE CLARK, LINDA GALLAGHER

MR. SPEAKER: I vote no on **HB 2044** due to the Medicaid Expansion amendment. We know that Medicaid changes are coming and the ACA will be repealed. Once this happens and expansion states are required to pay their regular FMAP, expansion will be unsustainable. It will place a financial burden on tax payers who are already under attack. The cost will exceed \$464.5 million a year and growing. I hope the body thinks through the negative consequences of this action for our state and votes no with me. – DANIEL HAWKINS, LESLIE OSTERMAN, CHUCK WEBER, LES MASON, STEVE HUEBERT, KRISTEY

WILLIAMS, TREVOR JACOBS, KYLE HOFFMAN, DOUG BLEX, BRENDA LANDWEHR, ERIC L. SMITH, ABRAHAM RAFIE, FRANCIS AWERKAMP, LEO DELPERDANG, JOHN BARKER, RON HIGHLAND, RANDY POWELL

MR. SPEAKER: As offered in my testimony yesterday on **HB 2044**, there are thousands of hardworking Kansans that deserve access to healthcare even while considering the important issues of cost and overarching philosophy. I believe that **HB 2044** responsibly provides that coverage for those Kansans in a way that can be budget neutral. I vote YES. – JOHN EPLEE, ELIZABETH BISHOP

MR. SPEAKER: While ObamaCare is on the verge of repeal by the US Congress and the President of the United States, this bill goes the other direction by expanding Medicaid to include able-bodied adults, forcing around 30,000 off their private plan and onto government assistance, and crowding out the disabled who are already on a waiting list. Expanding Medicaid is also estimated to add an additional \$1.2 billion price tag over the next ten years to our State budget, something we simply can't afford. We support better ways to deliver healthcare to the poor and needy. Mr. Speaker, I vote no on **HB 2044**. – JOHN WHITMER, PETE DEGRAAF, BILL SUTTON, SEAN TARWATER, KEITH ESAU, WILLIE DOVE, RONALD ELLIS, KEVIN JONES, SUSAN HUMPHRIES, BLAKE CARPENTER, RANDY GARBER

MR. SPEAKER: I am proud to have voted YES on **HB 2044**, which includes an amendment to expand Medicaid. I also welcome the opportunity to discuss and consider the many amendments that were suggested during discussion of the bill, when full fiscal notes are available to us regarding the financial impact of said suggested amendments. I voted not to pass the amendments without fiscal notes as that would not be looking after the state's finances in a responsible manner. – JAN KESSINGER

**HB 2066**, AN ACT concerning use of state highway right-of-way; relating to reimbursement for certain relocation costs; public wholesale water supply districts; amending K.S.A. 68-415 and repealing the existing section, was considered on final action.

#### EXPLANATION OF VOTE

MR. SPEAKER: I can understand and empathize with the intent of **HB 2304**, but I cannot support it. I know first-hand how devastating it is to families who lose a child or grandchild unexpectedly. But where does this type of legislation end. Will it be when all childcare facilities are government run? We are telling private childcare providers how to run their business. This is government forcing its will on its citizenry. It is my opinion these decisions should be between the parent and the childcare provider. Mr. Speaker, I vote no on **HB 2304**. – RANDY GARBER, KEITH ESAU
