Lord, you know the tasks assigned to each of us. James 1:19 instructs us to “be quick to listen, slow to speak and slow to become angry.” Wise words that will serve us well. Be with each of us here today as we debate, taking your word to heart.

Again, we petition for rain for the thirsty ground. You are generous and we thank you for your provision and know your timing is perfect. Help us to take actions that honor you. Give wisdom to leaders that you have placed in our midst. With this, we honor and praise you for sending your Son and for providing salvation. I pray this in your Holy name. Amen.

(3) Subject to the limitations imposed under paragraph (4), amounts in the supplemental general fund may be expended for any purpose for which expenditures from the general fund are authorized or may be transferred to any categorical fund of the school district. Amounts in the supplemental general fund attributable to any percentage over 25% of total foundation aid determined for the current school year may be transferred to the capital improvements fund of the school district and the capital outlay fund of the school district if such transfers are specified in the resolution authorizing the adoption of a local option budget in excess of 25%.

(4) Amounts in the supplemental general fund may not be expended for the purpose of making payments under any lease-purchase agreement involving the acquisition of land or buildings that is entered into pursuant to the provisions of K.S.A. 2017 Supp. 72-1149, and amendments thereto.

An amount equal to the amount of the product shall be transferred to the general fund of the school district or remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of any such remittance, the state treasurer shall deposit the same in the state treasury to the credit of the state school district finance fund.

(j) Each year, the state board shall determine the statewide average percentage of local option budgets legally adopted by school districts for the preceding school year.

(k) The provisions of this section shall be subject to the provisions of K.S.A. 2017 Supp. 72-5144 section 6, and amendments thereto.

(1) "Authorized to adopt a local option budget" means that a school district has adopted a resolution pursuant to subsection (c).

(2) "State prescribed percentage" means ~~30.5%~~ 33% of the total foundation aid of the school district in the current school year.

(3) ~~For purposes of determining the school district's local option budget under subsections (a), (b) and (c), "Total foundation aid" means the same as such term is defined in K.S.A. 2017 Supp. 72-5132, and amendments thereto, except the state aid for special education and related services shall be divided by an amount equal to 85% of~~

the BASE aid amount, and the resulting quotient shall be used in determining the school district's total foundation aid.

Sec. 9. K.S.A. 2017 Supp. 72-5461, as amended by section 16 of 2018 Substitute for Senate Bill No. 423, is hereby amended to read as follows: 72-5461. (a) Upon receiving an application under K.S.A. 2017 Supp. 72-5460, and amendments thereto, the state board of education shall review the application and examine the evidence furnished in support of the application.

~~(b)(1) Commencing in school year 2017-2018, the state board of education shall not approve any application submitted during the current school year if such approval would result in the aggregate amount of all general obligation bonds approved by the state board for such school year exceeding the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year adjusted for inflation pursuant to paragraph (4). For any application submitted during the current school year in excess of \$175,000,000, the state board shall apply only an amount of \$175,000,000 of such application when determining whether the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year has been exceeded. In determining whether to approve an application, the state board shall prioritize applications in accordance with the priorities set forth as follows in order of highest priority to lowest priority:~~

~~(A) Safety of the current facility and disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar evaluation;~~

~~(B) enrollment growth and imminent overcrowding as demonstrated by successive increases in enrollment of the school district in the immediately preceding three school years;~~

~~(C) impact on the delivery of educational services as demonstrated by restrictive inflexible design or limitations on installation of technology; and~~

~~(D) energy usage and other operational inefficiencies as demonstrated by a district-wide energy usage analysis, district-wide architectural analysis or other similar evaluation.~~

~~(2) The state board shall not consider a school district's eligibility for capital improvement state aid, or the amount of capital improvement state aid a school district would be eligible to receive, in determining whether to approve such district's application.~~

~~(3) The provisions of subsection (b)(1) shall not apply to school districts that have not issued any general obligation bonds in the 25 years prior to the current school year.~~

~~(4) The state board shall adjust the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year by adding an amount equal to the five-year compounded percentage increase in the producer price index industry data for new school building construction as published by the bureau of labor statistics of the United States department of labor for the five immediately preceding school years.~~

~~(e) After reviewing the application and examining the supportive evidence, the state board of education shall issue an order either granting or denying the application. If the application is approved, the applicant board of education shall request the county election officer to hold an election to vote upon the question of issuing the increased amount of bonds in the manner provided by law.~~

~~(d) Any application that is denied pursuant to subsection (b) may be tentatively approved by the state board of education for the immediately succeeding school year. The amount of general obligation bonds approved in any such application shall be counted first towards the aggregate amount of all general obligation bonds approved by the state board for such school year.~~

~~(e) Commencing in school year 2017-2018, the state board of education shall determine the aggregate principal amount of general obligation bonds retired in the immediately preceding school year.~~

~~(f) The provisions of subsections (b), (d) and (e) shall expire on June 30, 2022.~~

Sec. 10. K.S.A. 2017 Supp. 72-5132, as amended by section 2 of 2018 Substitute for Senate Bill No. 423, 72-5143, as amended by section 4 of 2018 Substitute for Senate Bill No. 423, and 72-5461, as amended by section 16 of 2018 Substitute for Senate Bill No. 423, are hereby repealed."

**EXPLANATIONS OF VOTE**

MR. SPEAKER: We vote No on **SB 61**. This bill is anything but a fix. A fix implies a mere technical correction of an unintentional error in drafting. Instead, **SB 61** undermines the integrity of the process by attempting to pass off a complete reversal of clear legislative intent in **SB 423**, passed less than one month ago by this very legislature, as a “fix.” In this case, the fix is what’s broken. This is not a good way to legislate, and it should be rejected. — JOHN WHITMER, CHUCK WEBER, LESLIE OSTERMAN, FRANK TRIMBOLI, BLAKE CARPENTER, EMIL BERGQUIST, LEO G.
