Supporting Testimony for HB 2581

My name is Lisa Finch. I support this Bill wholeheartedly. My son, Andrew T. Finch was shot and killed because of a prank swatting call. My son was a generous, loyal, straightforward man. Willing to do what it takes to care for those in his life. He left behind 2 very young children and a big grieving, suffering family. Passing this Bill will save lives and families from having to deal with everything that goes along with what happened. It has changed our lives forever. Please consider naming this Bill after my son Andrew T. Finch. To my knowledge there has never been a deadly swatting call. My appreciation for naming it after my son will never waiver. This could have easily been your family member or child. I am aware that this Bill originated on January 30, 2018. This is about a month after my son was killed. I want to believe it came about because of what happened to my son. All the more reason to name it after my son. I want to thank you as a distraught and deeply saddened mother.

Thank You

Lisa Finch
