Testimony of Dennis Phillips

Re: HB 2266

Mr. Chairman and members of the committee I, thank you for this opportunity to appear before you today. I am here on behalf of the Kansas State Council of Fire Fighters to ask your consideration and support of HB 2266.

This bill simply provides if a retiree received two pensions from KPERS their beneficiary would receive two deaths benefits. The retiree would have to be vested in two different KPERS plans for this to be possible.

Thank you for your consideration regarding HB 2266.
