Thank you, Mr. Chairman Proehl and Committee for reading my testimony.

My name is Amanda Collins. I am a mother to three children. I am writing to voice my support for HB2678, the Choose Life license plate. I apologize that I could not be there in person.

I support HB2678 because all life is precious and a gift from God. I am a Christian and I believe that life begins at conception. God gave my husband and I three precious children. Their life began at conception. I am forever grateful to our Creator for them. Please protect all innocent babies whose lives also begin at conception.

Thank you Chairman Proehl and Committee for your time and consideration. I pray that when you are finished with this bill, your committee would pass HB2678 favorably.

May God bless you as you serve.

Thank you,

Amanda Collins
