Thank Mr. Chairman Proehl and Committee, and thank you for hearing/reading my testimony.

My name is Deborah Allen and I am here to voice my support for HB2678, the Choose Life license plate as a way for pro-life citizens of Kansas to let their voices be heard on this important issue.

Thank you Chairman Proehl and Committee for your time and consideration it was/is a honor to speak before you. I hope/pray that when you work this bill you would pass it out favorably from your committee.

Thank you,  
Deborah Allen
