In Opposition

Testimony: Written Only

Dear Chairman Bud Estes and the members of the Senate Committee on Federal and State Affairs,

I am writing to voice my opposition to SCR1611: Making application to the U.S. congress to call a convention of the states.

That Koch-funded "conservatives" who are supposedly all about "defending the Constitution" and feel divinely authorized to interpret the intent of the Founding Fathers would attempt to amend the Constitution to serve their own financially driven-ends - not democracy - is the height of hypocrisy!!!

I ask that you oppose SCR1611. The way we amend the US Constitution has worked well for over 200 years and we should keep amending it in the same way.
