Testimony by: Sheilah Philip

In Opposition
Testimony: Written Only

Dear Chairman Bud Estes and the members of the Senate Committee on Federal and State Affairs:

I am writing to voice my opposition SCR1611: Making application to the U.S. congress to call a convention of the states.

Our Constitution has served us well for more than two centuries. And the way that we amend the document has also served us well. This attempted power grab is an example of legislators trying to do their will instead of the will of the people they serve.

I ask that you oppose SCR1611. We should keep amending the Constitution in the same way - this does not need to be changed.

Thank you for your consideration,

Sheilah Philip
