Public Health & Welfare Committee
In support of Senate Bill SB126
Testimony of Michael D. Ramsey,
Manager, Vice President, Bokeh Development LLC, Lux Building LLC, Eyster Properties LLC

Chairwoman Senator Schmidt and Members of the Committee, thank you for the opportunity to share my support of SB126 regarding background checks for day care facilities. I am the concerned about the loop hole in the existing K.S.A. 2016 Supp. 65-516 pertaining to childcare facility background checks. I am in support of the changes to Bill SB126 that will ultimately allow for better protection of our children.

Sincerely,

Michael D. Ramsey
